Program Overview

Here's an opportunity for your preschooler to learn a new language over the summer! Cultured Kids Club brings full language immersion programming to the DCRC, utilizing play based activities to make learning natural and fun. Each week, our enrichment classes include "learning topics" such as colors, foods, and animals for participants to learn new words, songs, and simple phrases in Spanish. Instructors are native language speakers.

Program Expectations for Parents

Parents are expected to have their child at the program on time, and pick up promptly at the conclusion. All registered families receive secure online access to their classroom web page for at-home extended learning.

Program Fees/Supplies/Dress

The program fee is \$125 for City Residents and \$138 for School District and Non-Residents. Minimum enrollment is required one week prior to the program date. Participants should dress in comfortable clothing that provides freedom of movement.

Recreation Center Policies

Inclement Weather Policy:

In general, DCRC class/activity schedules coincide with Dublin City Schools. When school is cancelled, all daytime DCRC classes are cancelled, and a decision regarding evening classes (those after 4 p.m.) will be made by 3 p.m. When schools are released early, all evening classes at the DCRC are cancelled. If you are unsure if a class will be held due to weather, please check our website at <http://dublinohiousa.gov/recreation/closings> for the latest updates and cancellations before heading out. You can also call our pre-recorded information hotline at 614-410-4946. In the event of a cancellation due to weather, we will make every attempt to offer a make-up class. Instructors will provide information on make-up classes.

Sibling Policy:

Due to the structure of the child/parent programs, only children who are the appropriate age for the class will be permitted to register and attend the program. No younger or older siblings are allowed in the classroom to sit and watch or be left unattended in the lobby. For your convenience, we have a Wee Folk Room available for families who are in need of sibling care during our programs.

Parent Policy:

All preschool/youth programs require parents to bring their child directly to the room for the program to sign them in, and to sign them out at the conclusion of the program (if not a parent participation program). With your child's best interest in mind and to provide the best learning environment, we ask that all parents refrain from entering the teaching area during classes. This eliminates any interruptions between the instructor and participants. We feel it is beneficial for the children to have time alone to interact with their peers. To provide a safe environment, students must be able to follow directions and not be disruptive.

Healthy Kids:

If your child experiences any signs or symptoms of illness, please do not bring them to the programs at the DCRC. Symptoms of seasonal flu include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Please be aware that if your child becomes ill or vomits during any of our preschool/youth programs, they must be removed from the facility right away. Refunds are not available due to illness.

Program Evaluations:

Our program evaluations are now paperless! You will receive an email after your final class thanking you for your participation and providing you a link to complete a short, online survey regarding your experiences in the class. We look forward to hearing from you! You can access this survey at any time: <http://www.surveymonkey.com/s/KPH2R5C>
